RE: Windstream Kentucky East, Inc.
Administrative Case No. 381
Motion for Confidential Treatment

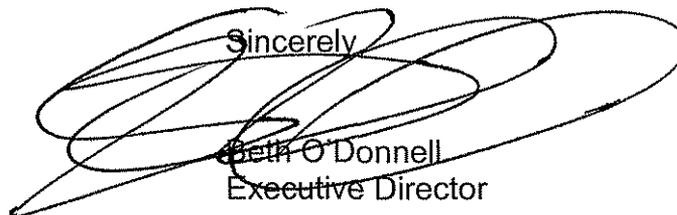

Dear Mr. Overstreet:

The Commission has received the motion filed September 1, 2006, on behalf of Windstream Kentucky East, Inc. to protect as confidential certain information in its filing seeking certification for Federal Universal Service Funds usage as required by Commission's September 25, 2001 Order. A review of the information has determined that Attachment A to the filing "2007 Capital Budget Projects" is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection. However, the estimated amount of USF support does not meet the criteria for confidentiality. Therefore, this amount is denied confidential protection.

The information denied confidentiality shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

If the information granted confidentiality becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely

Beth O'Donnell
