Re: NPCR, Inc. - Petition for Confidentiality received 8/29/08
PSC Reference – Administrative Case #381

Dear Mr. Hughes:

The Public Service Commission has received NPCR's Petition for confidential treatment requesting to protect as confidential certain information contained in its Exhibits A, B, and C to its Annual Certification. The information is described as (1) a spreadsheet of proposed projects, locations and costs; (2) a map of estimated cell sites and; (3) a summary of operational and maintenance costs of operating a single cell site.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, NPCR, Inc. is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo
Executive Director
