RE: Inquiry into the Development of Deaveraged Rates for Unbundled Network Elements; Administrative Case No. 382

Dear Ms. O'Donnell:

This letter is to confirm the understandings reached by ALLTEL with Commission Staff regarding the procedure in the above referenced case. The understanding reached is that it is not necessary for ALLTEL to file comments on June 25, 2004, but rather, if ALLTEL requests a hearing by July 9, 2004 in accordance with the procedural order dated May 7, 2004, ALLTEL will then have the opportunity to file and present testimony in support of its cost study and any proposed rates and other normal procedural steps associated with a hearing.

If I have misunderstood any aspect, please advise me as soon as possible. Thank you for taking the time to discuss these procedural matters with us and for clarifying the prospective procedure.

Sincerely,

W. Gregory Coker
