ORDER

Kentucky-American Water Company ("Kentucky-American"), Thames Water Aqua Holdings ("Thames"), Thames Water Aqua US Holdings, Inc. ("TWUS"), RWE Aktiengesellschaft ("RWE") and American Water Works Company ("AWWC") (collectively "Joint Applicants") have applied for Commission approval of Kentucky-American's 2007 Second Quarter Dividend on common stock ("Second Quarter Dividend"). Finding that Kentucky-American's dividend policy has not been affected by the change in ownership, the Commission approves the payment of the Second Quarter Dividend of \$1,050,152, which is scheduled to be paid on September 27, 2007.

In Case No. 2002-00317,¹ the Commission approved the transfer of control of Kentucky-American from AWWC to Thames, TWUS, and RWE subject to 61 conditions.

¹ Case No. 2002-00317, The Joint Petition of Kentucky-American Water Company, Thames Water Aqua Holdings GmbH, RWE Aktiengesellschaft, Thames Water Aqua US Holdings, Inc., Apollo Acquisition Company and American Water Works Company, Inc. for Approval of a Change of Control of Kentucky-American Water Company (Ky. PSC Dec. 20, 2002).

One of these conditions was that Joint Applicants obtain Commission approval prior to the payment of any dividend or transfers of any funds within a calendar year that collectively represent more than 5 percent of Kentucky-American's retained earnings as of December 31 of the prior calendar year to RWE, Thames, TWUS or any other entity related to RWE.²

We imposed this condition to ensure Kentucky-American's financial ability to provide reliable service and to guard against any effort to drain Kentucky-American's treasury to finance RWE's acquisition of AWWC or pay the premium associated with the acquisition.³ It enables us to monitor transfers from Kentucky-American and prevent unusual or extraordinary transfers of funds. Absent the imposition of this condition, our statutory ability to monitor and prevent such conduct is very limited.

On July 25, 2007, Kentucky-American declared its Second Quarter Dividend of \$1,050,152, which is scheduled to be paid on September 27, 2007. Joint Applicants submitted their request for Commission approval of Kentucky-American's Second Quarter Dividend on August 8, 2007. Joint Applicants state that Kentucky-American's declared Second Quarter Dividend of \$1,050,152 is in conformity with the historical dividend policy of paying 75 percent of earnings available for common dividends.⁴ Collectively the declared dividend of September 27, 2007 and dividends paid earlier in

2007 represent more than 5 percent⁵ of Kentucky-American's accumulated retained earnings as of December 31, 2006.⁶

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that Kentucky-American's dividend policy has not been affected by the change in ownership. Therefore, Kentucky-American's payment of the Second Quarter Dividend of \$1,050,152 should be approved.

IT IS THEREFORE ORDERED that Kentucky-American's September 27, 2007 common stock dividend of \$1,050,152 is approved.
