PUBLIC SERVICE
COMMISSION

Response Due Date: September 2003

**Supplemental Response Provided
October 24, 2003**

KyAG-DR-01-057 Supplemental

REQUEST:

1-57. Please provide the dispatch order for the CG&E & PSI units as currently dispatched.

RESPONSES:

Please see the attached corrected dispatch sequence for August 1, 2003. When ULH&P initially responded to this request, it failed to take into consideration an Ohio coal tax credit applicable to the Ohio coal typically burned in East Bend and Zimmer.

ULH&P has also provided on the attached the dispatch sequence on October 8, 2003. Since CG&E dispatches its units against the market price, or replacement cost, of coal, the dispatch sequence can vary from week to week.

WITNESS RESPONSIBLE: M. Stephen Harkness
