Re: Case No. 2003-00266;
correction to letter dated August 31, 2004

Dear Ms. O'Donnell:

Due to a miscalculation, perhaps because of the Labor Day holiday, my letter to you yesterday on behalf of the Midwest Independent Transmission System Operator, Inc. ("the Midwest ISO"), referred to two wrong dates for next week. The third and final paragraph of my letter should have read:

LG&E and KU have agreed that the Midwest ISO does not have to provide all the responses to their requests before the end of tomorrow, September 1, 2004; however, they waive the deadline only on the express conditions (a) that the Midwest ISO will send them individual responses as they are completed, starting tomorrow and continuing each day thereafter, and (b) that the response to each data request be sent no later than Tuesday, September 7, 2004. The Midwest ISO thanks LG&E and KU for their agreement to this alternative and hereby notifies the Commission and the other parties of the agreement. Rather than file and serve its Response piecemeal, the Midwest ISO will provide to the Commission and the parties "hard" copies (paper and computer discs) of the Response only when it is complete. The Midwest ISO anticipates that it will be filing and serving the complete Response on or before **September 8, 2004**.

I regret the error and any confusion it may have caused. By e-mail last night, I alerted counsel for the parties and the Commission Staff to the error and identified the correct dates.

The original and ten (10) copies of this letter are provided for filing in the above-referenced proceeding. An additional copy is enclosed; please return it, stamped with the date of receipt/filing, in the enclosed envelope. Thank you for your attention to this matter.

Sincerely,

Katherine K. Yunker
