Request to Schedule an Informal Conference

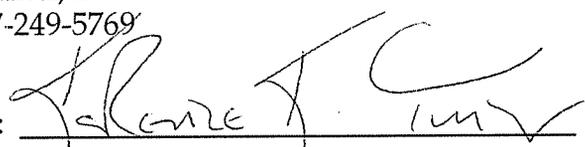

The Midwest Independent Transmission System Operator, Inc. ("Midwest ISO"), an intervenor, requests that the Commission schedule an informal conference in this proceeding at which the Midwest ISO would make an informational presentation on its Energy Markets Tariff and the security constrained economic dispatch platform and resultant energy markets that the Midwest ISO will be implementing on March 1, 2005. In supplemental testimony filed September 29, 2004, Louisville Gas and Electric Company and Kentucky Utilities Company suggested that such an informal conference be scheduled; by e-mail exchanged between counsel for the parties and the Commission Staff, it has been determined that there is general interest in such a conference and that Tuesday, October 26, 2004, is an available date. The Midwest ISO asks that the informal conference be scheduled to start at 10:00 A.M. EDT to allow both for travel to Frankfort and at least four hours for the conference itself.

WHEREFORE, Midwest ISO respectfully requests that the Commission schedule an informal conference to begin at 10:00 A.M. EDT on Tuesday, October 26, 2004, at the Commission's offices.

Respectfully submitted,

Katherine K. Yunker
