**The Midwest ISO's Unopposed Motion to
Reschedule 5/18/05 Hearing**

Upon the recommendation of the Commission Staff, the Midwest Independent Transmission System Operator, Inc. ("the Midwest ISO") hereby files this unopposed motion to reschedule the date previously established for the hearing in this matter in the Commission's order of March 24, 2005. The Midwest ISO has informed the Commission and counsel of record in this matter that it- ss, Dr. Ronald McNamara, would not be available to tes he currently scheduled hearing dates due to a serious ill original ly. Counsel of record and the Commission Staff held a tele 11, 2005 to discuss what options existed to accommoda and the Commission in light of Dr. McNamara's unavailability. The consensus reached during this telephone conference was that the parties should reschedule the hearing for a later date and that one of the parties file a motion to that effect. The parties are currently in discussion regarding the selection of mutually convenient dates for rescheduling the hearing. An additional filing will be made shortly that sets out the agreed-upon dates.

Respectfully submitted,
