Mr. Dorman,  
I understand that the  
Kentucky Utilities Company  
have asked to be able  
to raise the rates for  
our utilities.

I am writing to ask  
to not allow them to  
raise our rates at this  
time.

My husband is disabled  
and we live on a fixed  
income. Our home is all  
electric and a raise  
in our rates would  
put a strain on our  
finances at this time.
