BUDGET PAYMENT PLAN REQUIRED BY 807 KAR 5:006(13)2)

A budget plan is available for the convenience of its customers. In lieu of monthly billings for actual usage a customer may elect by notifying the company to be billed based on a budget amount. The budget amount will be calculated by the company under normal circumstances on a minimum if one twelfth of the customer's estimated annual usage, subject to review and adjustment throughout the year. The normal budget year is the twelve months from August to July, with July as the settlement month.

The customer's account may be adjusted periodically if changes in usage or rates indicate that the account will not be current upon payment of the last budget amount.

To be accepted as a budget customer, the account balance must be paid in total before the customer is put on the budget payment. It is understood that this budget payment plan will continue until the customer notifies the Company in writing or by telephone to discontinue the plan or the customer defaults in payment of such plan. The company may revoke the plan and restore the customer to monthly billing and require immediate payment of any deficiency.

Failure to receive a bill does not exempt a customer from these terms.

PARTIAL PAYMENT PLAN

Residential and Commercial customers may negotiate a partial payment plan in accordance with 807 KAR 5:006(13)2).

WINTER HARDSHIP RECONNECTION

Qualifying customers may have service reconnected pursuant to 807 KAR 5:006(15)

Free Gas Service Pursuant to KRS 278.170(2):

The company may provide free gas service to its officers, agents, or employees as allowed by KRS 278.170(2).
