Re: Adoption of Interconnection Agreement Between
BellSouth Telecommunications, Inc. and MCI WorldCom
Communications, Inc. by Universal Telecom, Inc.
PSC 2004-00172

Dear Ms. O'Donnell:

Enclosed for filing in this case are the original and ten (10) copies of the revised Attachment to BellSouth's Motion for Reconsideration of the Commission's May 19, 2004 Order filed May 24, 2004. It has come to BellSouth's attention that the Attachment contained incorrect information. Please pull the incorrect attachment and substitute this attachment in its place. If you have any questions, please let me know. BellSouth regrets the inconvenience.

It should be noted that the agreements listed on the revised Attachment to BellSouth's Response are Kentucky only agreements. There are over 75 other TRO-compliant agreements that have been signed since November 11, 2003, that are 9-state agreements, including Kentucky, which could be adopted by FDN.

Sincerely,

for Dorothy J. Chambers
