Frankfort, KY 40601

Case 2004-00261

Dear Ms. O'Donnell:

The Dream Factory is a volunteer organization dedicated to granting the wishes of children between the ages of 3-18 years old with life threatening illnesses. They have contacted the Hendron Water District in regards to supplying water to fill a swimming pool they are having installed for a three year old little girl with a chronic illness.

The pool is a 24' pool and will hold 13,500 gallons of water that will cost about \$46.41 according to the rates in our tariff.

Hendron Water District would like to donate the cost of the water to the Dream Factory. According to KRS 278.170 (2) this is possible with permission from PSC. We would appreciate anything you can do to help this little girl.

Sincerely,

HENDRON WATER DISTRICT

Don Peck
