The application filed herein is supplemented as follows:

I, J. E. Smith, Jr., President of the Fleming County Water Association, Inc. hereby certify the following in accordance with 807 KAR 5:069:

Section 1(5)(a): That the proposed plans and specifications for the project have been designed to meet the minimum construction and operating requirements set out in 807 KAR 5:066, Section 4(3) and (4), Section 5(1), Sections 6 and 7, Section 8(1) through (3), Section 9(1) and Section 10.

Section 1(5)(b): That all state approvals or permits have already been obtained by our engineers and have been filed herein.

Section 1(5)(c): The current rates as approved in PSC Case No. 2004-00192 dated June 14, 2004 are sufficient to produce the total revenue requirements set out in the engineering reports.

Section 1(5)(d): The contract has been awarded but the date of construction is not determined as this commission order is necessary before a Notice to Begin is possible; the contract calls for the project to be completed within 270 days.

Section 1(6): No notice to members is necessary as no new rates are proposed.

DATED this 26th day of July, 2004, at Flemingsburg, Kentucky.
