RE: PSC Case No. 2004-00320
Status Request

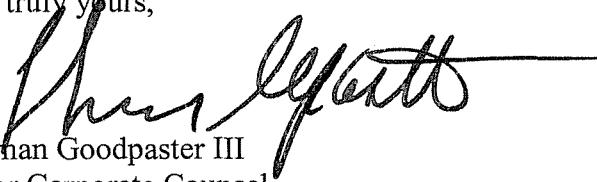

Dear Mr. Burford:

This letter is in response to your letter of September 19, 2006, regarding "as-built" drawings or maps on the Little Mount transmission project.

Please find enclosed the aerial photographs of the project submitted as Exhibits VIII₁ – Exhibit VIII₃ which depict the "as-built" centerline, right of way boundaries, and structure locations. Also please find one set of "as-built" plan and profile sheets, and four CD's containing electronic versions of the above referenced documents, as well as the "as-built" GIS information for this project.

Should need any further information or have any questions or comments, please advise.

Very truly yours,

Sherman Goodpaster III
Senior Corporate Counsel
