FOR APPROVAL OF THE TRANSFER OF)
WASTEWATER TREATMENT PLANT TO)
RICHMOND UTILITIES, LLC)

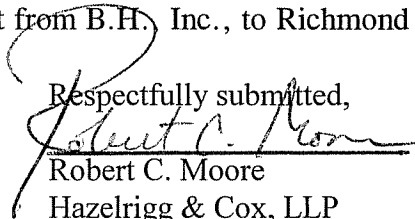

**MOTION FOR EXTENSION OF TIME TO TRANSFER WASTEWATER
TREATMENT PLANT**

Comes Richmond Utilities, LLC, by counsel, and hereby requests the Public Service Commission (“Commission”) to grant it an additional thirty (30) days within which to complete the transfer of the Brocklyn Subdivision Wastewater Treatment Plant from B.H., Inc., to Richmond Utilities, LLC. On December 22, 2004, the Commission entered its order approving the Joint Application for approval of the transfer of the subject wastewater treatment plant to Richmond Utilities, LLC. Paragraph 1(f) of the Commission’s December 22, 2004, Order stated “the proposed transfer shall occur within 90 days of the date of this order.” Paragraph 6 of said Order also required Richmond Utilities, LLC to file a copy of the executed irrevocable letter of credit in the amount of \$20,000 with the Commission within 10 days of the completion of the proposed transfer.

Since the entry of said Order, Richmond Utilities, LLC has been working diligently to obtain the required \$20,000 irrevocable letter of credit, but has been unable to obtain same. Accordingly, the transfer of the subject wastewater treatment plant cannot take place on or before March 22, 2005. Richmond Utilities, LLC is currently working with a financial institution in

Louisville, Kentucky to obtain the issuance of the required irrevocable letter of credit, and should be able to obtain same within thirty (30) days of the date of this Motion. Therefore, Richmond Utilities, LLC hereby requests an extension of time through and until April 22, 2005, within which to obtain said irrevocable letter of credit and to complete the transfer of the Brocklyn Subdivision Wastewater Treatment Plant from B.H. Inc., to Richmond Utilities, LLC.

Respectfully submitted,

Robert C. Moore
