RE: PSC Case No. 2004-00338

Dear Ms. O'Donnell:

On 21 February 2005, the Office of Rate Intervention received three letters and a petition concerning the application of the Francis Water Company for a rate increase, PSC Case No. 2004-00338. While the Attorney General is listed as a recipient of a copy for each, the letters are addressed to Chairman Goss, Vice Chairman Williams, and Commissioner Coker. Because the materials sent to the Office of the Attorney General appear to include the original petition, I believe that they may have been sent to this office by mistake. Therefore, I am forwarding the materials to your attention. (For our case file, we did make a photocopy of the letters and the petition.)

Regards,
