Re: Case No. 2004-00340 { The Wellhope Facility }

Dear Sirs:

As a property owner, I, Diana James, disagree with the proposed site for the Wellhope Facility. I have enviromental concerns due to the close proximity of this proposed site to my home. This site would be much too close for the homes and any future building as the site would limit or eliminate them .

My concerns are for my health, safety, and future concerns that my property will decline in value due to the unsightliness of this proposed 300' cell tower.

Sincerely,

Diana S. James
Property Owner

I, James Decker, property owner, do not want to see this tower built. The proposed site is too close to my house and my daughters home to feel comfortable about it. The site is to be right behind my mailbox. We do not need to have two cell towers near our home.

Sincerely,

James Decker
Property Owner

RE: Case No. 2004-00340 { The Wellhope Facility }

Dear Sirs,

I live the closest to this proposed tower because I live on Wellhope School Road and I do not want to see it built in front of my home. I have enough health concerns without having to look at this every single day. Please do not allow this to be built.

Thank You

Clarence Decker
