RE: Panther Hill Welded Steel Elevated
Water Storage Tank
WX21059009

Dear Bill;

Attached for your review is the bid tabulation sheet for the above captioned project. We recommend the low bid submitted by Pittsburg Tank & Tower Co. in the amount of \$437,600.00 as the lowest and best bid for the project. A check of references for similar projects proved satisfactory. Said bid proposal is within the original budget amount.

Please notify us of the decision of the West Daviess County Water District in order to move forward with the Notice of Award to the Contractor when appropriate. Pending acceptance by the Kentucky Public Service Commission and the KY Infrastructure Authority the bid will be awarded on the basis of bid unit prices in accordance with the contract documents.

Call if you have questions or need additional information.

Sincerely,

James R. Riney, PE, PS
Project Engineer
