Service Commission

I am writing in response to the  
Bill # 2004-00459, I & E is trying  
to pass to increase my bill in  
my 205

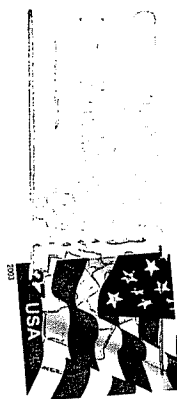

I don't feel like paying any more  
for people who don't pay their  
own bills.

I am on a fixed income myself.  
However I do pay my bill.  
Every thing is going up except my  
income. please think of us on  
limited income.
