RE: Case No. 2004-00501

Dear Ms. O' Donnell

ITC^DeltaCom Communications, Inc. d/b/a ITC^DeltaCom ("DeltaCom") supports the Comments filed by Cinergy Communications Company ("Cinergy") on January 19, 2005. Specifically, BellSouth is required to commingle any wholesale service with any unbundled network element or combination of network element. (See *In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, Report and Order and Order On Remand and Further Notice Of Proposed Rulemaking, CC Docket No. 01-338 at Para. 579-584 (Rel. Aug. 21, 2003). ADSL is a wholesale tariffed service and UNE-P and/or UNE loops are unbundled network elements. If the FCC intended to exclude the requirement of commingling ADSL from UNEs, the FCC certainly has had every opportunity to specifically do so, but it has not.

Sincerely,

Nanette S. Edwards
Director - Regulatory
