Case 2005-00047

Dear Mr. Kirtley,

We have been trying to get a tariff change to allow us to accept debit and credit cards. After speaking again to Dale Wright this morning, he urged me to send you copies of the tariff change that we are seeking to allow us to accept debit/credit cards for customer payments at an administrative fee of \$3.00 per transaction. I have enclosed the original and added a total of ten (10) copies for your distribution. Please let me know as soon as possible so we can get started .

Sincerely,

HENRY COUNTY WATER DISTRICT NO. 2

RATES AND CHARGES

All customers have the option to pay their bill either by credit card or debit card. This method of payment can be made either in person at the office or by telephone. If on the 10th of the month an attempt to pay by credit card or debit card is made and the card is declined for any reason, payment is still due in full on the 10th and will be considered late after that date. All late charges and penalties will be applied. If a customer is paying on our disconnect day, (20th of the month) and the card is denied, the same rules as above apply with the addition that their water service will be disconnected. This service will be offered by the utility at a additional charge of \$3.00 per transaction to the customer.
