RE: (CASE NO. 2005-00065)

As requested in your letter dated March 22, 2005, please find enclosed 10 copies of a Certified Survey Map completed by Randall Coleman, Coleman Engineering, P. O. Box 153, Hindman, KY 41822 showing all property owners within 500 hundred feet of the proposed tower to be located at Airport Gardens on Apple Ridge Lane near Hazard in Perry County, Kentucky. I am also enclosing 10 copies of a revised list of all property owners which includes six additional owners and should be placed with Exhibit 2 in each application book. As the map shows, these are the only additional property owners shown to be within the 500' vicinity. Ten copies of a certified letter of notification for each additional property owner notified of the proposed construction of the tower at Airport Gardens are also enclosed and should be included with Exhibit 2.

As I understand from your letter, this is all the additional information you will need to approve our application. You may contact me at my office at 606-886-6007, Ext. 164, or you may contact Janice Robinson, Ext. 166 if you need any further information concerning this filing application.

Thank you,

Michael Huffman, CPA
Controller

Enclosures

These property owners were also sent certified letters notifying them of the intention to construct a cell site tower at Airport Gardens. Copies of these letters are attached.
