Dear Mr. Wright:

Per our phone conversation today regarding Code 1600 listed in ITEM 1 of Taylor County RECC's response to the PSC order dated February 28, 2004 in Case No. 2005-00076

Code 1600 is used for Minor Construction projects under \$100,000.00 which are not part of the actual work plan. Examples of a Minor project would be replacing guys and anchors, changing security lights, changing overhead line to underground line, and other jobs not covered by RUS loan codes in the work plan.

If additional information is needed please let me know.

Sincerely,

John F. Patterson,
Office Manager
