In Re: Proposed Merger of the Monroe County Water District and the Fountain Run Water District

Dear Public Service Commission:

My County Judge Executive, Wilbur Graves, has requested that I write this letter to the Public Service Commission asking them to begin the process outlined in KRS 74.361 "to initiate, carry out and complete such investigations, inquiries, and studies as may be reasonably necessary to determine the advisability as to the merger of water districts."

Should you need any additional information prior to beginning this process, do not hesitate to contact me at the number shown above. I look forward to working with you during this process and hopefully we can bring it to a swift resolution. Thank you for your prompt attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Wes Stephens".
