Attorney General's Supplemental Requests for Information
Case No. 2005-00186

Response by BullsEye Telecom, Inc.

1. State whether your company has changed any tariffs applicable to plans described, named or marked as "unlimited", as previously identified in your responses to the Commission's first data request, since the date of the Commission's first set of Data Requests, and if so, please attach/enclose copies of same.

The company has not made any tariff changes to its unlimited service since the company's response to the Commissions first set of Data Reqeusts.

2. With regard to any such plans, state specifically whether the word "unlimited" refers to minutes of use, area(s) of calling, or both. If the word "unlimited" modifies any other term(s) in the applicable tariff(s), please identify the term(s) so modified.

There is no tariff language that limits the use of unlimited services.

3. With regard to any such plans, state:

- a. whether the tariff indicates that a penalty of any type or sort (including relegating the customer to a different plan) may apply in the event the customer exceeds any limitation on number of minutes included in the plan;

Not applicable.

- b. the nature of the penalty;

Not applicable.

- c. whether the penalty has ever been imposed;

The company has not imposed any tariff penalty in the past and the language indicating a penalty has been removed from the BullsEye Kentucky local exchange tariff on June 30, 2005 effective July 30, 2005.

- d. whether notice of the penalty is provided to the consumer, and if so, identify precisely where in the tariff or other materials (including but not limited to contract, advertising or marketing materials) any such notice is located, and cite the complete language of any and all such notice(s).

Not applicable.
