Motion for Extension of Time

Sprint Communications Company, LP, by counsel, requests an extension of time until July 26 to respond to the Commission's order of June 22, 2005. Due to scheduling and other unavoidable delays, Sprint is unable to provide the responses on the date specified. It is expected that all responses will be filed no later than Tuesday July 26, 2005.

For these reasons, Sprint requests an extension of two business days to file its responses to the Commission's order and the Attorney General's data request of June 23, 2005.
