PUBLIC SERVICE
COMMISSION

In the Matter of:

THE APPLICATION OF EAST KENTUCKY)
POWER COOPERATIVE, INC. FOR A CERTIFICATE)
OF PUBLIC CONVENIENCE AND NECESSITY FOR) **CASE NO**
FOR THE CONSTRUCTION OF A 161 kV ELECTRIC) **2005-00207**
TRANSMISSION LINE IN BARREN, WARREN,)
BUTLER, AND OHIO COUNTIES, KENTUCKY)

AMENDMENT TO APPLICATION

The Applicant, East Kentucky Power Cooperative, Inc., hereby amends Exhibit 12-1 and Exhibit 12-9 to its Original Application filed herein on July 1, 2005, by superceding such exhibits with Exhibit 12-1 Revised and Exhibit 12-9 Revised as attached hereto.

It is necessary to revise Exhibit 12-1 because, based on the data contained in the initial black and white routing aerial survey, the Applicant initially identified a building on parcel No. 35, owned by Patty DeJarnette as being a barn, and because of congestion caused by the number of improvements in the immediate area, the outside boundary of the right-of-way was located just off the corner of what was thought to be the barn. However, upon receipt of survey-grade aerial photography and LiDAR (Light Detection And Ranging) data, it was determined that the building was, in fact, a residence, necessitating locating the centerline approximately 1275 feet away from the residence. In the process of making this change, it was also possible to address other property owners'

concerns in the area. No properties other than those identified on Exhibit 14 to the Original Application were affected.

It is necessary to revise Exhibit 12-9 because, based on the data contained the initial black and white routing aerial survey, no structures were identified in proximity to the right-of-way on Parcel No. 54, owned by the Oakely D. Coots Trust. However, upon receipt of survey-grade aerial photography and LiDAR data, a building was identified as being within the right-of-way, necessitating locating the centerline approximately 250 feet away from the building. No properties other than those identified on Exhibit 14 to the Original Application were affected.

The Applicant hereby adopts, restates and reiterates each and every other paragraph, statement and Exhibit contained in its Original Application.

Respectfully submitted,
