

Ms. O'Donnell, PSC Case #

2005 00207

As a citizen of Glasgow in Barron County, I am strongly opposed to the application above by EKP. The proposal for a powerline goes through a business that is vital to our local area. Please help protect the business and our natural resources. A concerned citizen,

PSC CASE #

Ms. O'Donnell,

THE APPLICATION SUBMITTED BY EKP SHOULD BE DENIED. THERE IS NO WAY THAT AN ADEQUATE CASE STUDY OF ENVIRONMENTAL IMPACT OF THIS PROPOSED POWER LINE COULD HAVE BEEN DONE IN THIS SHORT TIME.

CONCERNED CITIZEN,
