**RE: Notice of Intent  
Construct Proposed Transmission**

Dear Ms. O'Donnell:

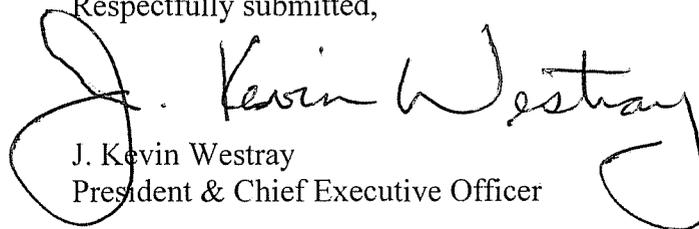

Please find the following as a follow-up to my recent letter dated June 28, 2005, and in response to a letter dated July 7, 2005, from Ruth A. Rowles concerning the above matter.

Indeed, the proposed route does cross property owned by Scotty's Contracting and Stone, LLC. The route proposes a major impact to the health of Scotty's Contracting and Stone. We would hereby like to take the next step and ask for a public hearing or even a meeting on this matter to discuss this huge impact to the structure of Scotty's Contracting and Stone, LLC.

Please inform me of the direction of this intent and future actions needed by Scotty's to correct this issue.

Again, thank you for your help in this matter and I look forward to hearing from you soon.

Respectfully submitted,

  
J. Kevin Westray  
President & Chief Executive Officer
