RE: Case No. 2005-00226

Dawn McGee contacted me today and asked that I outline the projected gas cost for the period July 1, thru January 31, 2006.. The breakdown is as follows:

Columbia Gulf charges a monthly fee at 326 DTH X \$3.1450 = \$1025.27

Columbia Gas charges monthly usage DTH X \$.7748

Cumberland Valley Resources monthly DTH X \$7.51

Jefferson Gas charges monthly usage MCF X \$8.29

The cost for Cumberland Valley and Columbia Gulf transportation charge will be the same amount due to their contracts through September 2005. The cost for Jefferson Gas and Columbia Gas fluctuates according to the Nymex.

If you have any questions, please contact me at the number listed above.

Sincerely,

Wilma Ison
