RE: BellSouth Petition for Confidential Protection
Case No. 2005-00229

Dear Ms. Chambers:

The Commission has reviewed your petition filed June 16, 2005, to protect as confidential the highlighted information contained in the letter to the PSC dated June 15, 2005 and the letter to Phone Link, Inc., from BellSouth dated May 18, 2005. A review of the information has determined that it does not meet the criteria for confidentiality. The information is not "valuable" to other carriers. There is no way to tell for what period the amount of revenue is for, i.e., one month, two months, etc. The amount over due could be due to only a subset of the total number of customers. Therefore, your petition is denied.

The information shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

Sincerely,

Beth O'Donnell
Executive Director
