PUBLIC SERVICE  
COMMISSION

Dear Executive Director:

*2005-00235*

Having been serviced by Mallard Point Disposal Services, Inc. for the nearly 18 years that I have been a resident of Mallard Point, located in Scott County, I would like to request intervenor status in the upcoming rate hearings.

Being familiar with the rates that other private sewer companies in the area charge their rate payers, I cannot justify the current rate increase that MPDS has requested, particularly when they were recently granted a rate increase.

Regards,

Joan Delmoro
