Dear Senator Thayer:

As you know, case No. 2005-00235, Mallard Point Disposal Systems Inc., is an active case pending at the PSC. As such, I am sure that you understand that I cannot comment on any substantive portion of this case.

However, please be assured that the PSC is doing everything in its power to insure that all interested parties (including your constituents) are being treated fairly.

Should you or your constituents desire further information from the commission regarding this case, I would refer you to Anita Mitchell who is the team leader working on this case for the commission. This team leader can be reached at 502 564-3940 extension 258.

Sincerely yours,
