RE: Docket Number 2005-00304

Dear Sir or Madam:

My name is Harvey Brumfield. My wife Margie and I own and operate The Cherry Place located at 11490 Lexington Road Lancaster, KY. I am writing concerning the proposed site location and construction of a tower for wireless communications that is very close to my business.

I have the following concerns:

1. The 300' tower may be close enough to fall on my store.
2. The tower may overpower the signal of other wireless communication providers making it difficult to use cell phones.
3. Lower value and marketability of my business and location.
4. Potential health hazards associated from being in close proximity to the tower.

My concerns are for the welfare of my family, my business and my neighbors. We have operated this business for 24 years. This is our livelihood. I want assurance that this proposed tower will not adversely impact my family, business or neighbors.

Sincerely,

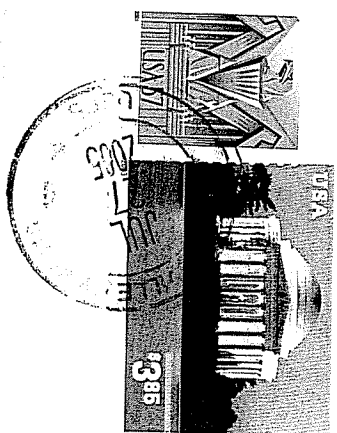

Harvey Brumfield
