

**COMMONWEALTH OF KENTUCKY**  
**BEFORE THE PUBLIC SERVICE COMMISSION**

RECEIVED

In the Matter of:

APPLICATION OF BLUEGRASS WIRELESS LLC  
FOR ISSUANCE OF A CERTIFICATE OF PUBLIC  
CONVENIENCE AND NECESSITY TO CONSTRUCT  
A CELL SITE (LILY II) IN RURAL SERVICE AREA #6  
(LAUREL) OF THE COMMONWEALTH OF  
KENTUCKY

CASE NO. 2005-00320 PUBLIC SERVICE  
COMMISSION

OCT 25 2005

**RESPONSE BY INTERVENERS TO**  
**MOTION TO SCHEDULE**  
**AN INFORMAL CONFERENCE**

We, the Interveners in above referenced case, request the Public Service Commission of the Commonwealth of Kentucky to deny Bluegrass Wireless LLC's motion to schedule an informal conference in this matter. We do not see a prompt resolution to this matter for the following reasons:

- (1) We wish to have the ability to present evidence to a formal hearing;
- (2) We request the Bluegrass Wireless LLC relocate proposed construction or co-locate to another tower, which are issues which cannot be resolved in an informal conference;
- (3) It would create an undue burden and expense if we are required to appear at both an informal conference and a public hearing.

In addition, we, the Interveners, request that the Public Service Commission to schedule the public hearing at a location in Laurel County, Kentucky, for the following reasons:

- (1) So other residents can state their opinions concerning the construction of this tower; and
- (2) So Interveners' witnesses can appear at the hearing without undue burden or expense.

Respectfully submitted,

L. Glenn Shadoan
