Re: Case No. 2005-00341

Dear Mr. and Mrs. Lucas:

Thank you for your letter regarding the Kentucky Power Company rate case.

This matter is currently pending before the Kentucky Public Service Commission, and because I am one of the three decision makers in this case, I am unable at this time to comment on any aspect of the case. However, I am very appreciative that you would take the time to write the Commission and advise us of your concerns regarding the proposed rate increase.

Your letter has been placed in the official case file of this proceeding and is being treated as an objection to the proposed rate increase.

Please be sure that we will carefully analyze this rate application and do everything in our power to ensure that this case is resolved in a fashion that is fair and equitable to all parties.

Sincerely,

Mark David Goss
