RE: Kentucky Public Service Commission Case No. 2005-00385
Verizon Wireless Account Number 600599700
FOR SETTLEMENT PURPOSES ONLY

Dear Mr. Whitworth:

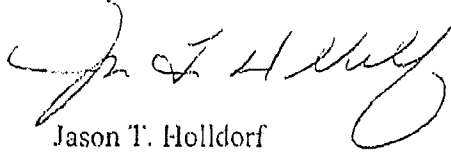

I am writing once again with a proposal for settlement of the above captioned claim. As stated in previous correspondence, although Verizon Wireless is confident that this balance is valid, in the interest of settling the account without further dispute, Verizon Wireless would be willing to not only reduce the balance by the amount that Verizon Wireless paid to the collection agency (\$90.35), but also take an additional \$60.18 off the balance. Accordingly, Verizon Wireless is willing to make an offer to settle for \$100.00 as full and final satisfaction of the debt in question. As an additional consideration of settlement of this claim, Verizon Wireless will also agree to request that the credit bureaus remove any and all reporting of this account. Verizon Wireless is willing to make this request within five (5) business days of receipt of your \$100.00 payment.

To ensure the prompt handling of this payment, please send it directly to me in the enclosed self-addressed, stamped envelope. Once I am in receipt of this payment, and have had the opportunity to make the appropriate arrangements, I can send you a letter confirming as much.

Again, it would be understood that, in consideration of Verizon Wireless' acceptance of a \$100.00 payment as payment in full of the Account in question, in conjunction with Verizon Wireless' agreement to request the credit bureaus to delete any and all reporting of the Account in question, you would agree to drop any and all claims with the Kentucky Public Service Commission, as well as any other legal claims you may or may not have brought.

If you have any questions, or would like to discuss this matter further, please feel free to contact me in writing at the above address.

Respectfully,

Jason T. Holldorf
