No. 2005-00427

**SUPPLEMENT TO APPLICATION**

And now come the applicants, Orbit Gas Company and Orbit Gas Transmission, Inc. and, in response a request from Commission Staff, file this Supplement to Application in the above cause by attaching herewith the following additional Exhibits:

1. Attached hereto marked Exhibit "I" is the personal financial statement of Richard H. Straeter certified to September 30, 2005.
2. Attached hereto marked Exhibit "J" is the personal financial statement of Howard A. Nevins certified as of December 31, 2004, together with a copy of his personal income tax return for the year 2004 with supporting data.

These exhibits are to be included as a part of the original Application filed with the Commission on October 13, 2005.

The two exhibits marked Exhibit "I" and "J" are filed with the request that all of the contents of each shall be treated as confidential and cite to the Commission the following as authority for such request:

**KRS § 61.878 (1)(a):**

(1) The following public records are excluded from the application of KRS 61.870 to 61.884 and shall be subject to inspection only upon order of a court of competent jurisdiction, except that no court shall authorize the inspection by any party of any materials pertaining to civil litigation beyond that which is provided by the Rules of Civil Procedure governing pretrial discovery:

(a) Public records containing information of a personal nature where the public disclosure thereof would constitute a clearly unwarranted invasion of personal privacy.

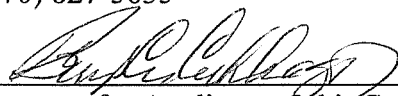

Applicants submit that the above statute clearly embraces the contents of a personal financial statement and thus provides the authority for this Commission to exclude the same from the public record.

Therefore, original copies of Exhibits "I" and "J" are attached to the original copy of this Supplement to Application with descriptive copies only attached to the copies filed herewith.

WHEREFORE, Applicants pray that the enclosed exhibits be included as part of the original Application; that they be treated as "Confidential", and that relief prayed for in the original Application be granted.

Respectfully submitted,

BENJAMIN C. CUBBAGE, JR.
