Regarding: CASE NUMBER 2005-00445

Dear Sir:

This is to let you know that we support the application of Cumberland Cellular Partnership to build a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633.

We are owners of a horse farm and also are proprietors of another business in Monticello. It is our opinion that this proposed communication tower would enhance cellular communication. This is sorely needed in Wayne County and especially in the area surrounding the proposed tower. We trust that the PSC will give this application serious consideration. Thank you in advanced.

Sincerely,

A handwritten signature in cursive script that reads "Barry & Alisa Denny". The signature is written in black ink and is positioned above the typed name.

Dear Sir:

This is to let you know that I support the application of Cumberland Cellular Partnership to build a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633.

I am looking forward to improved cellular service in this county. The area of the county where the tower would be located is essentially a dead area for cellular usage currently. Please give this application your strong consideration.

Sincerely,

Gayla Bertram
