**PUBLIC NOTICE**  
**DATED AS OF MARCH 2, 2006**

TO: Sandra C. Duncan  
5502 Camp Fire Trail  
Austin, Texas 78749

As you may be aware, and as you may have been previously advised, Cumberland Cellular Partnership is applying to the Public Service Commission of the Commonwealth of Kentucky (the "Commission") for a certificate of public convenience and necessity to construct and operate a new facility to provide cellular telephone. The facility would include a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633. A map showing the location is attached. This notice is being sent to you because you either own property and/or reside on property that is located within a 500 ft. radius of the proposed tower or you own property contiguous to the property where the proposed tower will be located.

The Commission invites your comments regarding the utility's proposed construction. Also, the Commission wants you to be aware of your right to intervene in this matter. Your comments and/or request for intervention must be received within twenty (20) days from the date of this notice and should be addressed to:

**Executive Director's Office**  
**Public Service Commission of Kentucky**  
**P.O. Box 615**  
**Frankfort, Kentucky 40602**

Please refer to case number 2005-00445 in your correspondence.

If you have already sent the Commission your comments, or have requested intervention, you need not do so again, unless they were mailed to the Commission prior to December 16, 2005, which was the date Cumberland Cellular filed its application with the Commission to construct a new cellular tower facility.

If you mailed your comments and/or request for intervention prior to December 16, 2005, please mail them again so that they will be included in the Commission's application file in Case No. 2005-00445.

Box 403  
Monticello, Kentucky 42633

As you may be aware, and as you may have been previously advised, Cumberland Cellular Partnership is applying to the Public Service Commission of the Commonwealth of Kentucky (the "Commission") for a certificate of public convenience and necessity to construct and operate a new facility to provide cellular telephone. The facility would include a 260-foot tower to be located at 900 KY Old Loop #3, Monticello, Kentucky 42633. A map showing the location is attached. This notice is being sent to you because you either own property and/or reside on property that is located within a 500 ft. radius of the proposed tower or you own property contiguous to the property where the proposed tower will be located.

The Commission invites your comments regarding the utility's proposed construction. Also, the Commission wants you to be aware of your right to intervene in this matter. Your comments and/or request for intervention must be received within twenty (20) days from the date of this notice and should be addressed to:

**Executive Director's Office**  
**Public Service Commission of Kentucky**  
**P.O. Box 615**  
**Frankfort, Kentucky 40602**

Please refer to case number 2005-00445 in your correspondence.

If you have all ready sent the Commission your comments, or have requested intervention, you need not do so again, unless they were mailed to the Commission prior to December 16, 2005, which was the date Cumberland Cellular filed its application with the Commission to construct a new cellular tower facility.

If you mailed your comments and/or request for intervention prior to December 16, 2005, please mail them again so that they will be included in the Commission's application file in Case No. 2005-00445.
