PUBLIC SERVICE
COMMISSION

DEAR COMMISSIONERS

WITH RESPECT TO THE PUBLIC NOTICE DATED MARCH 2, 2006 (REFERENCE CASE # 2005-00445) WE THE UNDERSIGNED ARE SUBMITTING A REQUEST FOR INTERVENTION FOR DENIAL OF THE PROPOSED CONSTRUCTION OF A CELLULAR TELEPHONE TOWER AND ANTENNA AT THE PROPOSED SITE OF 900 KY OLD LOOP #3 MONTICELLO KENTUCKY 42633. THE FOLLOWING ARE THE REASONS FOR THE REQUESTED INTERVENTION:

- ALL RESIDENTS ADJOINING THE PROPOSED SITE AND IN PROXIMITY TO THE PROPOSED SITE ARE ADAMANTLY OPPOSED TO THE CONSTRUCTION.
- PROPERTY VALUE OF HOMES AND FARM LAND WITHIN PROXIMITY TO THE PROPOSED TOWER/ANTENNA WOULD BE SIGNIFICANTLY REDUCED DUE TO THE UNSIGHTLINESS OF SAID TOWER.
- THE NATURAL AESTHETIC BEAUTY OF THE SURROUNDING AREAS WITHIN APPROXIMATELY FIFTY SQUARE MILES WOULD BE SEVERELY IMPACTED.
- DUE TO LACK OF INFORMATION REGARDING RF (RADIO FREQUENCY) EMISSIONS AND TRANSMITTER EMISSIONS NATURAL CONCERNS ~~OF~~ ^{ARISE} FOR HUMAN LIFE AS WELL AS FARM ANIMALS UNDER CONSTANT EXPOSURE TO THESE EMISSIONS.

- All of the above factors pale in comparison to the devastation of morale within the entire community and in particular to the property owners living adjacent to the proposed site of the tower/antenna.

Your intervention and denial of the proposed construction will be sincerely appreciated by numerous members of the involved community
