INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File - Case No. 2005-00464
FROM:  Jeff Shaw, Division of Financial Analysis
DATE: January 10, 2006
SUBJECT: January 7, 2006 Telephonic Conference

A telephonic conference held in this case January 7, 2006 included participants representing Delta Natural Gas Company, Inc. ("Delta"), the Attorney General of the Commonwealth of Kentucky ("AG"), and Commission Staff ("Staff"). The purpose of the conference was to discuss issues regarding Delta's request for approval to implement a Home Energy Assistance ("HEA") plan. A list of persons participating in the conference is attached hereto.

The AG reported that he was still awaiting authority to offer a response to Delta's amended HEA proposal. The AG indicated that he hoped to be able to provide a response within the next few days.

It was agreed, if Delta and the AG were unable to reach agreement on a specific HEA plan, that they would file written comments describing their own HEA proposals and giving their positions on the other's proposal. They further agreed that the AG's comments would be due January 18, 2006, and that Delta's reply comments would be due January 23, 2006.

The conference was adjourned with the understanding that, if necessary, based on the nature of the AG's response to Delta's amended HEA proposal, the parties would make themselves available for another telephonic conference.
