COMMISSION

Dear Sir/Madam,

This is to confirm the conversation with your attorney A.W. Turner on December 19th, 2005. On this date I requested information on obtaining a public hearing for docket number ~~2005-00467~~ and 2005-00472. These cases involve a proposed transmission line from the Mill creek Generating Station in Jefferson County. On behalf of myself and residents in Jefferson County, we will be requesting an intervention in this proceeding, with a public hearing to be held in Jefferson County. According to Mr. Turner, no application has been filed on this case, and I was told that I would be notified after this event. I was further told that we would have 30 days from the date of application to file an official request for this public hearing.

I wish to express my appreciation for your cooperation, and look forward to your timely future contact.

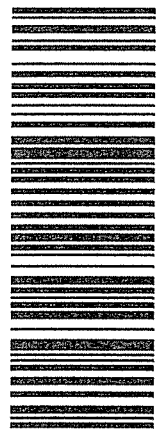

Sincerely,

Rev. John Brewer
