***Re: South Central Telcom, LLC Petition for Designation as an  
Eligible Telecommunications Carrier in the Commonwealth  
of Kentucky - Case No. 2005-00541***

Dear Ms. O'Donnell:

The purpose of this letter is to advise the Public Service Commission of the Commonwealth of Kentucky (the "Commission") that South Central Telcom, LLC's petition for designation as an eligible telecommunications carrier should stand submitted to the Commission and is ripe for decision.

Pursuant to the Commission's scheduling order entered January 12, 2006, any request for a public hearing in the above-referenced matter must have been filed by March 28, 2006. No such request was filed. Similarly, additional comments and information requests must have been filed by April 12, 2006. To the best of South Central's knowledge and belief, no such additional comments or information requests were filed. Accordingly, pursuant to the Commission's scheduling order, South Central Telcom, LLC's petition for designation as an eligible telecommunications carrier should stand submitted to the Commission for decision.
