O R D E R

This matter is before the Commission upon the correspondence filed by Jessamine-South Elkhorn Water District on September 21, 2006. Based upon the correspondence, it would appear that the city of Nicholasville restored water service to the Complainants as of June 16, 2006. Accordingly, the Complainants, on or before 7 days from the date of entry of this Order, will be allowed to file in writing with the Commission any information which they believe indicates this matter is not now moot. In the interim, the Commission's previous orders in this matter shall remain in full force and effect.

Done at Frankfort, Kentucky, this 26th day of September, 2006.
