RE: *Application of Cumberland Cellular Partnership for Issuance of a Certificate of Public Convenience and Necessity to Construct a Cell Site (Alligator) in Rural Service Area #5 (Russell) of the Commonwealth of Kentucky - Case No. 2006-00052*

Dear Mr. and Mrs. Bowmer:

As you know, the Public Service Commission of the Commonwealth of Kentucky (the "Commission") has scheduled a formal hearing on Tuesday, June 12, 2007 at 9:00 (EST) with respect to the above-referenced matter. I have attached a copy of the Commission's order dated May 3, 2007 for your convenience.

On the basis of your letter to the Commission dated June 1, 2006, we believe that you are protesting the location of the COW ("Cell on Wheels") only and **NOT** the location of the proposed permanent site, which is approximately ¼ mile from the location of the COW. (As you know, the hearing will address only the permanent site and not the COW, which will be moved once the permanent site is built, assuming Commission approval.) If this is correct, we would ask that you not advise the Commission of your intention to participate in the formal hearing in this matter, as the Commission requires (see indented quotation below), if, in fact, it is your desire not to participate in this formal hearing.

("Any Intervenor who intends to appear at the hearing and present evidence against the construction of the proposed Cell Facility shall file, within 10 days of the date of this Order, a statement of intent to appear in opposition. If no statements are filed within 10 days of the date of this Order, the hearing shall be canceled and the matter shall be submitted to the Commission on the existing record without further Order herein.")
