RE: Case No. 2006-00107

Dear Ms. O'Donnell:

Thank you for your recent letter dated May 23, 2006. It is the intention of the Wheatley Family and our neighbors to protest the proposed tower. Not only are the health risks uncertain, we are quite confident that such a tower will detract from the aesthetic value of the farming community. An informal meeting of neighbors has resulted in organizing a petition and retaining legal council.

Please keep us posted as to all future actions and meetings required of the Public Service Commission under current regulations. If possible, please send future communications by registered mail.

Sincerely,

Mark A. Wheatley
