RE: Case No. 2006-00107
American Cellular Corporation

Dear Mr. Wheatley:

This letter is in response to your letter received on June 20, 2006 regarding your concerns in the case referenced above. On May 23, 2006, the Commission issued a response to your initial protest letter allowing 10 days from the date of the Commission's response to request further participation in this matter.

The Commission received no further correspondence regarding this matter. Thus, on June 16, 2006, the Commission issued an Order granting the construction proposed in the above referenced case. Your letter will be placed in the case file of this proceeding. However, since the Commission has already issued a final determination regarding the proposed construction, no further action can be taken on the concerns raised in your letter.

You may view all documents filed in this case on the Commission's website at <http://psc.ky.gov>.

Thank you for your letter of interest and concern in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell".
