Re: Case No. 2006-00156
Deficiency Reminder Letter

Dear Mr. Buford:

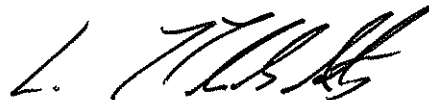

Please accept my apology for the delay in response to your letter of June 8, 2006. Part-time positions and summer schedules are not conducive to prompt action.

Several items of the deficiency list are requiring an inordinate amount of time, to prepare a proper response. We have asked our staff and consultants to proceed as quickly as possible.

Please be assured that Jessamine South Elkhorn Water District wishes to pursue this filing. However, at present we estimate that it will require an additional ninety (90) days to complete our work. Therefore, we would request that our deadline be moved to November 1, 2006.

Sincerely,

JESSAMINE SOUTH ELKHORN WATER DISTRICT
