Re: Water service to Leatherwood Road Area - Menifee County, Kentucky  
PSC Case No. 2006-00163

Dear Ms. Wright:

The Commission has received a complaint from Karl David Bradley requesting that Bath County Water District be ordered to provide water service to the Leatherwood Road area of Menifee County. We are in the process of conducting an investigation into the reasonableness of Bath County Water District extending service to this area.

As part of our investigation we would like to review any information that your agency may have concerning any past, present, or future plans by any water provider to extend water service to the Leatherwood Road area of Menifee County. Any information that you can provide, along with your agency's position on this issue, will aid our investigation.

Thank you for your attention to this matter and, if you have any questions, please telephone me at (502) 564-3940.

Sincerely,

Linda A. Mattox  
Staff Attorney
